THE Telephone Operator can serve you more quickly and accurately if you give the central office name first and *then* the number. For example, Cortlandt 9-1-2-3.

Summer 1926

Time is priceless
save it by telephone

The Fall drive for business is on.

Market surge and flow demands quick action, based on accurate knowledge of changing conditions.

In your office is the one means which will enable you to put your finger on the pulse of every buying and selling center in the country—one means by which you can swiftly know and act on any situation near or far—*your telephone.*

Every business day more than 500,000 Toll and Long Distance calls flash their intelligence to and from New York City, saving situations and seizing opportunities.

In the drive for business the telephone is your most effective ally. Make sure you use its fullest power.

Our Commercial Service Bureau will help you with suggestions without charge. Just telephone Rector Official 86.

"Jones & Co's line is still 'busy'-,"

SHALL I call them later?"

"No, never mind, Miss Tellem, I can't wait any longer. Get French & English and give them the order.

Frequent reports that your "line is busy" are costly when Mr. Buyer calls.

If you need more equipment it can be quickly provided. Tell our nearest Business Office.
